You're invited to join Fresh Energy as a sponsor for our dynamic and inspiring virtual Benefit Breakfast in October. Each year, the Benefit Breakfast engages hundreds of supporters and raises critical funds to support Fresh Energy's work to speed the transition to an equitable carbon-neutral economy in Minnesota, the Midwest, and beyond.

About Fresh Energy

Founded in 1992, Fresh Energy is an independent nonprofit organization working to advance ambitious, effective climate policy that will cut carbon emissions to net zero while reducing disparities and building prosperity.

Fresh Energy is a trusted energy leader with a proven track record for achieving measurable progress toward a sustainable energy future.
