

# Summer Energy School

Upon the Recommendation of the Summer Energy School Faculty  
of Fresh Energy and the authority of The Powers that Be has  
conferred upon you the degree of

*Summer Energy School Graduate*

with all the honors and privileges appertaining thereto,  
including the ability to casually drop phrases like "Integrated  
Resource Plan" at summer picnics, impressing friends with your  
knowledge of transmission lines and building codes, and the  
authority to debate the finer points of green hydrogen over  
iced coffee.

In testimony thereof, Fresh Energy has granted this Diploma
